SAMPLE PLANS FOR NEW TRANSFERS interested in Statistics Major
(assuming students have taken Math 1A, 1B, 53 and 54 elsewhere)

NOTE: These sample plans DO NOT necessarily include any remaining university (e.g. American Cultures) or L&S College requirements (breadth). And students will need to make sure they are enrolled in a minimum 13 units to be considered full-time unless they are approved for a reduced course load (for example, student parents, DSP, etc).
